BILL SUMMARY

SENATE BILL 1093, PN 1383 (SENATOR ORIE)

Amendment A05720: This is a technical amendment to correct an error in the way the bill was originally drafted in order to achieve the intent of the legislation.

Summary of Senate Bill 1093, PN 1383:

This legislation amends Act 30 of 2006, further providing for applicability of certain benefit provisions for certain beneficiaries.

Senate Bill 1093 is intended to close an unintentional gap in the survivor benefit coverage provided in Act 30 of 2006 for a small number of surviving spouses of police officers who retired before the effective date of Act 30 of 2006, and died after the act's effective date.
