Summary:

Senate Resolution 250 is a simple Senate Resolution that directs the Legislative Budget and Finance Committee to conduct a comprehensive study of the current real property tax collection systems in this Commonwealth to determine the impact of the consolidation of those real property tax collection systems, including the costs and benefits associated with consolidation, and to compare them to real property tax collection systems of other states, particularly those states with demographics similar to the Commonwealth.

Senate Resolution 250 provides that the Legislative Budget and Finance Committee would prepare or contract to prepare a report of its findings to be posted on its internet website and to be submitted to the Governor, the Finance committee of the Senate, the Local Government Committee of the Senate, the Finance committee of the House of Representatives and the Local Government committee of the House of Representatives no later than one year after the adoption of this resolution.
